

Dear Friend and Donor,

Thank you very much for your generous donation to our online silent auction to be held from February 21 to 28. We will need text and an image to showcase your donation on the website. If you have something that you can send us, that would be great, otherwise we will create the information for your approval. We have a test website where you can see the content that we have created: siskonafunds.wixsite.com/omas-kw-2026.

We hope that you will experience this auction as a **'WIN - WIN - WIN'** scenario and that you will, perhaps, generate new customers / clients.

A very big THANK YOU.
